Bagmati Province

Key activities

- Formation of Case Investigation and Contact Tracing team at the local level has been campaigned and refresher training is being provided to CICT members based on edited guidelines.
- A virtual meeting has been held by the Ministry of Social Development, Bagmati Province in coordination with Provincial Health Emergency Operation Center, Bagmati Province on waste management with Bharatpur Hospital. Representatives from Department of Health Services, World Health Organization, WASH Bagmati Province and GIZ were present in the meeting and the meeting discussed the capacity and human resources of the hospital, Infection Prevention and Control measures, availability of guidelines, and waste management in and around the hospital and would be coordinated by the different stakeholders.
- Bagmati Province has been providing RT-PCR testing services in three shifts through the available laboratories and the province has nearly finalized purchase of new PCR machines and new laboratory formation to match with the increased demand of PCR tests.
- Three groups from the provincial CICT team have provided supportive supervision and monitoring of 9 out of 13 districts in the province.
